## MEMBERSHIP OVERVIEW

The Employees of Gull Lake View Golf Club and the Scam family have a long history of providing unique and invigorating golf experiences in Southwest Michigan. Over the past 50+ years, we have grown from a nine hole daily-fee course to the largest golf resort in Southwest Michigan. Our Full Membership is the next chapter in our offerings to golfers.

This membership is unique in that it allows the GLV Member access to play on all six golf courses in Southwest Michigan. There are few, if any, other places in the United States where an individual can play this many courses at one membership price. We're excited to offer our members access to six golf courses for less than you would spend at a nearby country club. It's a great deal for great golf on great courses.

Inevitably, it all comes down to the fact that we are a family business that is dedicated to creating a great golf environment for our customers and our staff. We feel our members are the anchor point to assuring that we can continue to do this far into the future.

## GENERAL INFORMATION

Gull Lake View Golf Resort is owned and operated by the Scam family. Founded in 1962, it consists of six golf courses: Gull Lake View East and West, Stonehedge North and South, Bedford Valley, and Stoa Lake. All of the courses are rated at four and a half stars by golf digests. Different, diverse courses, there is something for everyone. The West is open with the feel of a classic country club, the East is tree-lined and strewn with water. Stonehedge South is tree lined and hilly, reminiscent of Northern Michigan golf, while the North is more challenging, six par fours, and six par threes. As a classic test of skill, Bedford Valley is our longest course and popular with high school and college tournaments. The newest course, Stoa Lake, is a fast links-style course with amazing views.

Gull Lake View isn't just about golf, though. With Blue Stem restaurant and Charles & Darl's Smoke-house & Grill, our expanded food and beverage offerings are providing inspiring meals to our guests. With the ability to host nearly 300 overnight guests, Gull Lake View has an extensive lodging component (with plans to expand in the near future). There are also driving ranges and/or practice facilities at all of our venues. Consistent with our history, we plan to continue to expand our future offerings, and our Members have the opportunity to be a part of that vision.
